

LEARN TO **CUSTOMIZE** SCROLL BAR IN 2 MINUTES!!

Follow @PriteshKiri

CSS Scroll bar

=> We use `::-webkit-scrollbar` pseudo-element to customize the scrollbar

=> This pseudo-element allows us to modify the look of the default browser.

Customize Scroll bar

OUTPUT

Before

```
::-webkit-scrollbar {  
  width: 15px;  
}
```

```
::-webkit-scrollbar-track {  
  box-shadow: inset 0 0 15px  
  rgb(15, 27, 255);  
  border-radius: 15px;  
  background-color: pink;  
}
```

```
::-webkit-scrollbar-thumb {  
  background: blue;  
  border-radius: 10px;  
}
```
