The screenshot shows the Quest AI website homepage. The header features the Quest logo on the left and navigation links for 'Product', 'Use Cases', 'Pricing', 'Log In', and 'Sign Up' on the right. The main content area has a dark background with a large headline 'Build better frontend' where 'Build better' is in white and 'frontend' is in a gradient of purple to red. To the left of the headline is a white lightning bolt icon. Below the headline, a paragraph states: 'Quest enables pixel-perfect web apps with our obsessive mastery of design-to-code generation. Our platform enables product teams to build better products at lightning speed.' A 'Sign Up Now' button is located in the bottom right corner of the main content area.
